The nutritional values are composed of data from our suppliers, the USDA FoodData Central database and Genesis SQL Nutritional Analysis Program from ESHA Research in Salem, Oregon. This information is based on standard product recipes and ingredients. The nutritional values are based on the FDA founding guidelines. Every effort is made to keep this information current, however due to difficulties in suppliers, recipe revisions, preparation techniques, and/or time of year it's possible ingredient changes and substitutions may occur. Please be aware of cross-contamination with allergens may occur during normal kitchen operations. This includes shared preparation and cooking areas and shared fryers. Due to these circumstances, we are unable to guarantee that any menu entrée can be completely free of allergens. Visit [pizzaranch.com](http://pizzaranch.com) for the most current allergen and nutrition information available.
